

ISO 9001:2008 CERTIFICATE AWARDED TO RVPN.

RVPN the State Transmission Utility of Rajasthan as an innovative organization, on successful implementation of Quality Management System (QMS) for its Design, Engineering, Procurement, Construction, Operation & Maintenance activities for transmission system up to 400 kV AC, have been awarded [ISO 9001:2008](#) by M/s. ICS, Mumbai, under the logo of ZAS-ANZ (Joint Accreditation System of Australia and New Zealand). On obtaining this International Certificate, RVPN has become one of the few Power Utilities owned by State/Central Govt., who have been awarded this Certification. RVPN has implemented this certification throughout Rajasthan in one stroke.

This has been made possible with the firm commitment of Govt. of Rajasthan to implement Quality & Standard in State's Power Utilities along with support and guidance of RVPN top Management which has led to improve RVPN working up to World Class standards.
